To Whom It May Concern:

It is with pleasure that I write this letter of recommendation for Karina Strong. Karina was my student teacher throughout the 2015/2016 school year. During her practicum, she capably taught all subjects to my grade 4/5 class of 28 students.

Karina demonstrates professionalism in all that she does. She comes prepared to teach with organized, age appropriate and dynamic lessons. She makes excellent use of technology in many of her lessons. Karina quickly establishes a rapport with students. She recognizes how complex students' individual needs are and she works to find ways to support them in their learning. Karina sets clear expectations for students' work and behavior. She brings joy and enthusiasm to her teaching.

Karina is a lifelong learner. She has a strong desire to continue to learn and takes great pleasure in finding new materials and resources to share with students. It is evident that she loves teaching and the students respond positively to her commitment and enthusiasm.

It is my belief that Karina Strong will be an asset to any staff that she works with. Please feel free to contact me if you have any questions. I can be reached at 250-752-3717 or email hdobinsn@telus.net

Sincerely,
